kindergarten through 5th grades; the middle school includes 6th through 8th grades, and the high school includes 9th through 12th grades. The district has achieved the Standard of Excellence in many areas in both reading and math. Deerfield Middle School received the Challenge Award twice for excellence in reading and math due to the high achievement of our ethnically diverse population. Deerfield Elementary is the recipient of a Technology Rich Classroom Grant which has provided students and teachers with state of the art technology.

The district is a member of the High Plains Special Education Cooperative and the Southwest Plains Regional Service Center. The district's site based council is active which provides guidance and support for the educational programs. Out of district enrollment is accepted and encouraged. Professional learning committees are implemented for continued improvement in the educational process. An after school program for elementary and middle school is implemented by the Twenty-First Century Grant.

Primarily a rural district, Deerfield is nestled on the western plains of Kansas located along Highway 50/400 just 14 miles west of Garden City. Deerfield is a wonderful friendly small farming community in which to live and raise a family. The community takes pride in their schools and supports activities. Our schools are located at the corner of 8th and Beech street on the west side of town.
